"Cry No More"

There's a time for al our innocence
When the tears aren't far away
And a time to build a strong defense
When the boy's too old to play
And we learn the hard way
Day by day
Giving in but always coming back for more
And we cry no more...cry no more.
There's a time for games and visions
And the stake is more or less
There's a time for fast decisions
When our dreams become success.
We do anything to raise that score
Cause the end will always justify the means
And we cry no more.
Cry no more...and we cry no more etc.
Our year's in misery
Made dreams reality. Ohh
And we cry no more etc.
Cry no more...and we cry no more etc.
