"We hold the secret to a dream

We keep it wrapped in chains

locked inside a mystery

We climb a stairway to the stars

Through doorways of the heart

Step inside the magic stars

Chorus

Gaze into my Crystal Ball

see what lies behind the wall

can't you feel the wonder of it all

You veil your eyes in fantasy

Time to pull the curtain back

Distant worlds, so much to see

Chorus

Gaze into my Crystal Ball

see what lies behind the wall

can't you feel the wonder of it all

I wanna know you, come on let me show you the way

I really wanna hold you, reach out to these hands of
fate

This is the moment we've been waiting for...
