I don't mind just what you say.
I never heard you, baby, never heard you anyway.

I don't care what you do
just so long as it ain't me and you.
Sly, sly, sly like a demon's eye. Everything's good, I
said, everything's fine.
You don't know, don't know it's the end of your time.
How does it feel to be turned away?
I've known it, baby, almost every day.
Sly, sly, sly like a demon's eye. I don't need you
anymore,
I don't want you, baby, hanging round my door.
You slip and slide round my brain.
You think you're so clever, yeah, but you know you're
insane.
Sly, sly, sly like a demon's eye.

I d-d-don't mind just what you say.
I never heard you, baby, I never heard you anyway, no I
didn't.
Everything's good, everything's fine.
You don't know it's the end of your time.
Sly, sly, sly like the demon's eye,
like the demon's eye
