"In the darkness, they will gather
Conjuring the one
Burning candles, incantations
Human sacrifice
Getting drunk from blood, not wine
Pointy daggers shine
Out of fire, smoke and brimstone
The dreaded one will rise
Rise...Burn...Rise...
Nobody knows who's the disciples of hell
Father's a priest and he's casting a spell
No one can stop what's already begun
Worshipping darkness and Lucifer's son
Victims of the grand illusion
Screams of ecstasy
Fools are lost in mass confusion
Searching for the key
Nobody knows who's the disciples of hell
Father's a priest and he's casting a spell
No one can stop what's already begun
Worshipping darkness and Lucifer's son

Raise your cup and praise the prince of darkness

See the truth of the power within the beast

And when the time has come

The gates of hell shall open

Burning candles, incantations

Human sacrifice

Out of fire, smoke and brimstone

The dreaded one will rise

Nobody knows who's the disciples of hell

Father's a priest and he's casting a spell

No one can stop what's already begun

Worshipping darkness and Lucifer's son
