"I am a Viking in going out to war

And I've got death upon my mind

As I was leavin' oh yesterday

I've got no fear in my heart

Chorus

As the shores of my home disappear

I sail over the sea without fear

Dragon ships are charging through the waves

Just want to sail away into the sea yeah yeah

I am a warrior my mind is set to kill

Life or death is on the line

I am a slayer and you will taste my steel

I've got your life right in my hand

Chorus

As the shores of my home disappear

I sail over the sea without fear

Dragon ships are charging through the waves

Just want to sail away into the sea yeah yeah

You are a loser and it's such a shame

That you're a fool and you don't know

That in a viking I'll walk all over you

And by my sword you will die

Chorus

As the shores of my home disappear

I sail over the sea without fear

Dragon ships are charging through the waves

Just want to sail away into the sea yeah yeah

Mmmm
