I've been searching for you

for so long

My life's been sacrificed

I've been longing for truth

And now I have found

all that in you

Like an angel you came to me

And now I see

The stranger in me is finally free

To feel true love

From heaven I knew you were born

on the wings of love

you were brought to me

i've been longing for truth

journeyed so far

to be with you

Like an angel you came to me

And now I see

The stranger in me is finally free

To feel true love
