"Hold on tight in the Heat of the Night
Baby there can be no escape
Feelings right, getting hard to fight
Baby how much more can I take
Tell me that it's real, everything you feel
what am I supposed to do
look into my eyes, touch me deep inside
let me feel your love cut through
Chorus
Oh, now is the time
Feeling your heart so close to mine
Oh, I want your touch, need you so much
Now is the time for our love
Drowning in the flames, in the Sea of Desire
Angel with the Devil's Eyes
Turn up the heat and we fall in the fire
can't you feel the temperature rise
Tell me that it's true, you can feel it too
let me be your fantasy
Baby hold me tight, say that it's alright
you know you can count on me...

Chorus

Oh, now is the time

Feeling your heart so close to mine

Oh, I want your touch, need you so much

Now is the time for our love

When the fire starts-I can feel you burning tonight

with an open heart-Baby won't you let me inside...

let me inside girl
