Worshipping the serpent, raising the dead  
The wizard's spell is ringing in my head  
Once upon a time, and so very far away  
In a place that you can't find, better kneel and prey  
Sacrifice of blood, macabre human feast  
Faces in the mud, slayed by the beast  
Worshipping the dark, playing with the dead  
Grinning like a shark, daemon in your head  
The dead shall rise again, and walk upon the earth  
Wizard's words ring true, death will bring rebirth  
Eternal lies in the serpents eyes  
Voodoo spirits walk alive  
Macabre sights in the Voodoo night  
Wings of death'll hunt you down  
Oh, you know too much, just a little touch  
Of the forbidden knowledge  
Casting Evil Spells we're children of the grave  
The serpent's raising hell, turn masters into slaves  
Sitting on his throne in temples of doom  
his evil powers grown in eternal gloom  
If you see the truth, the daemon is unveiled

Leave behind the fools and all of those who've failed

They will never learn,

no matter how they try

Forever they will burn,

already dead they cannot die

Eternal lies in the serpents eyes

Voodoo spirits walk alive

Macabre sights in the Voodoo night

Wings of death'll hunt you down

Oh, you know too much, just a little touch

Of the forbidden knowledge,

of the forbidden knowledge

Casting evil spells,

we're children of the grave

Serpents in the depths of hell turn masters

into slaves

Obeying all the rules

won't get you anywhere

Obeying is for fools,

and fools are everywhere

They will never learn,

no matter how they try

Forever they will burn,

already dead they'll never die

Never fool yourself,

the magic is too strong  
Praying for your life,  
you're dead before too long  
When it's said and done  
the dead will walk the earth  
When there's no more sun,  
Life, it has no worth  
Eternal lies in the serpents eyes  
Voodoo spirits walk alive  
Macabre sights in the Voodoo night  
Wings of death'll hunt you down  
Ah...  
If you see the truth, the deamon is unveiled  
Leave behind the fools and all of those who've failed  
Sitting on his throne in temples of doom  
his evil powers grown in eternal gloom  
Never fool yourself  
the magic is too strong  
Praying for your life,  
you're dead before too long  
Yes indeed
