Oh yes

[Nas]

Uh, this for you girl

Yo, I took you from the projects, put the best clothes in
ya closet

Like Ginger from "Casino" and now you a pro

We was like Joe DiMaggio and Marilyn Monroe

All ya jealous girlfriends hatin' waitin'

So I put the cards in yo hand

All I know is Nas was yo man

It was so real, boats and sixes

Special Japanese chefs makin' home cooked dishes

Plenty trips, invisible sets

You know what you missin'

[Jennifer Lopez]

It's funny coz for a while

I Walked around with a smile

But... deep inside, I could hear

Voices telling me "This ain't right"

Don't you know, it's not for you

I always knew what I had to do

But it's hard to get away

Cause I love you I just got to stay

You used to say I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)

Though it brings tears to my eyes I can feel it

And I know inside that I'm gonna be alright (Gonna be
alright)

I said I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)

Though it brings tears to my eyes I can feel it

And that voice inside says I'm gonna be alright (Gonna
be alright)

[Jennifer Lopez]

Friends of mine say to me

Say you got control over me

You're not alone, I played my part

I saw the way you were from the start
Could I expect so much from you
You had a girl when I first met you
Did the best that you could do
Now I realize I can't change you

You used to say I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside that I'm gonna be alright (Gonna be alright)
I said I didn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says I'm gonna be alright (Gonna be alright)

[Jennifer Lopez]
Said I wouldn't walk away
Some days I want to stay (Days I want to stay)
But leaving you is what I need to do (Need to do)
To be OK (I need to be OK)
I never thought it would be true (Would be true)
Me living without you (Living without you)

[Nas]
Huh, this life is crazy

[Jennifer Lopez]
So now it's time for me to make that move

[Nas]
Huh check it
Yo nobody understands me, I'm dealin' with pressure
My peoples is locked in a jail cell with no bail stressin'
Guess it's the life of a kingpin
Rap Stephen King, rock bling
Like neon lights, we gonna be alright
But it's like you feelin' lesser
Claim I'm actin' like a retard
Right me and my boys
We start fights, well will I mature
You scream I'm in the streets all night
Or where was I at, ya found light brown hairs on my hat
I'm slow caught

You used to say I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And I know inside that I'm gonna be alright (Gonna be alright)

I said I couldn't do it but I did it (Yes I did)
After telling everybody that I wasn't with it (Oh yeah)
Though it brings tears to my eyes I can feel it
And that voice inside says I'm gonna be alright (Gonna
be alright)
