I gotta work for mine  
Stay independent as long as God allows  
I do my things just for me  
Not looking to be accepted by somebody else

Keep it right, keep it tight  
on my own, I don't need your help  
I have everything I need  
theres nothing you can give  
Alone I do quite well

Chorus:

But I guess at times I wish I had someone to see my  
silhoutte..... in the moonlight...

he, the one I want, still searchin for the temple he aint  
found yet

I've got my whole life ahead  
But nowadays thats not really a long time  
Was searching for him everywhere  
But used all my lifelines  
I just wanna say b4 my time  
that i knew what real love was like  
tho i feel no man is worth mine  
still wanna give it a try. then i think

Do I really need this headache from a guy?  
but sometimes its gets really cold on my other side

Chorus
