I've loved before but I've never loved like this.  
From your head to your toes you're who I want to be  
with.  
Don't you see how easy this could be?  
Cause I was made for you, and you were made for me.  
I never thought that his could happen so soon.  
You've got me and baby I've got you.  
My heart, It beats for you.  
My heart beats for you and only you.

So here's a thought.  
It's me and you.  
You're the bride and I'm the groom.  
Singing I do, I do, I do, and I do, I do, I do.  
So here's a thought.  
It's me and you.  
You're the bride and I'm the groom.  
Singing I do, I do, I do, and I do, I do, I do.

And these sheets never felt so warm as when you  
sleep,  
next to me like you, need me, like you, need me.  
And these sheets never felt so warm as when you  
sleep,  
next to me like you, love me,  
I know that you, love me.  
So here's a thought.  
It's me and you.  
You're the bride and I'm the groom.  
Singing I do, I do, I do, I do, I do, I do.  
So here's a thought.  
It's me and you.  
You're the bride and I'm the groom.  
Singing I do, I do, I do, and I do, I do, I do.

I dare you to question if I love her, as we drive away  
with cans tied to our bumper.  
I solemnly swear that I, will never let her leave my side.  
Will someone please wake me?  
I fear that I must be dreaming,  
cause she's everything heaven is made out to be,

made out to be, whoa, oh, oh  
(I do, I do, I do, I do, I do, I do)  
She is everything that heaven is made out to be, made  
out to be, made out to be  
(I do, I do, I do, I do, I do, I do)  
That girl is everything that heaven is made out to be.
