ooohhh, uhhhh
Christmas, is just around the corner
Christmas, you feel it in the air
Better write all your letters to Santa
There's shopping and wrapping to do
I bet, you'll never believe it
When you see what I got you
You're gonna love it

Christmas, is just around the corner
Candles, are glowing everywhere
Can't wait until that night
Reindeer appear
Christmas, and it's just about here.

Christmas, (Christmas)
Is just around the corner, (is just around the corner)
Christmas, (Christmas)
You feel it in the air, (you feel it in the air)
All the trees are surrounded with presents
The stockings are fillin' up too
I bet you'll never believe it
When you see what I got you
What did you get me?

Christmas, (Christmas),
Is just around the corner (is just around the corner)
Sleigh bells, (Sleigh bells)
Are ringing in the square, (are ringing in the square)
Too bad December comes
Just once a year
Christmas, (Christmas)
Time to trim the tree
Christmas, (Christmas)
Can it really be?
Christmas, (Christmas)
Yes its finally here
We've been waiting all year
And it's finally here
Yes it's finally here
ooohhhh
It's finally here

Christ-mas
