Even now when there's someone else who cares,
when there's someone home who's waiting just for me.
Even Now I think about you as I'm climbing up the
stairs,
and I wonder what to do so she won't see
that Even Now when I have come so far,
I wonder where you are,
I wonder why it's still so hard without you,
Even Now when I come shining through,
I swear I think of you, and how I wish you knew,
Even Now.

Even Now when I know it wasn't right,
and I've found a better life than what we had
Even Now I wake up crying in the middle of the night,
and I can't believe it still could hurt so bad.
Even Now when I have I have come so far,
I wonder where you are,
I wonder why it's still so hard without you,
Even Now when I come shining through,
I swear I think of you, and how I wish you knew,
Even Now.

Even Now when I never hear your name,
and the world has changed so much since you've been
gone.
Even Now I still remember and the feelings still the
same,
and this pain inside of me goes on and on Even Now.
I have come so far,
I wonder where you are,
I wonder why it's still so hard without you,
Even Now when I come shining through,
I swear I think of you, and how I wish you knew,
Even Now.
