WORDS: Marty Panzer

MUSIC: Barry Manilow

I am your child.
Wherever you go, you take me, too.
Whatever I know, I learn from you.
Whatever I do, you taught me to do.
I am your child.
And I am your chance.
Whatever will come, will come from me.
Tomorrow is won, by winning me.
Whatever I am, you taught me to be.
I am your hope,
I am your chance,
I am your child.
