Words and Music by
Bruce Johnston

I've been alive forever,
and I wrote the very first song.
I put the words and the melodies together,
I am music,
and I write the songs.
I write the songs that make the whole world sing.
I write the songs of love and special things.
I write the songs that make the young girls cry.
I write the songs, I write the songs.
My home lies deep within you,
and I've got my own place in your soul.
Now, when I look out through your eyes,
I'm you'g again, even though I'm very old.
I write the songs that make the whole world sing.
I write the songs of love and special things.
I write the songs that make the young girls cry.
I write the songs, I write the songs.
Oh my music makes you dance
and gives your spirit to take a chance,
and I wrote some rock 'n' roll so you can move.
Music fills your heart,
well, that's a real fine place to start.
It's from me it's for you,
it's from you, it's from me,
it's a world wide symphony.
I write the songs that make the whole world sing.
I write the songs of love and special things.
I write the songs that make the young girls cry.
I write the songs, I write the songs.
