Goodnight . . .  
Dont be afraid..  
Sleep tight in my arms..  
I swear youll be okay..  
Ill keep you from harm..  
Cause I love you.  
And I always will..  
And you know Im gonna be true..  
And whenever you need me,.  
Ill be here with you..  
I know,.  
Times have been hard,.  
Life has treated you bad..  
Well baby, let down your guard..  
Try not to be sad..  
Cause I promised to stay by your side.  
And now thats what Im gonna do..  
When the others have gone away,.  
Ill be here with you..  
Ill be here.  
When the nights grow cold..  
Ill be here.  
When the skies are blue..  
Ill be here .  
When we both grow old. . .  
Here with you..  
So Goodnight. . .  
Dont be afraid..  
Sleep safe in my arms..  
Baby, youll be okay..  
Ill keep you from harm..  
And tomorrow if trouble should come,.  
You can count on me to come through..  
Because now and for always.  
Ill be here with you..  
Come rain or come shine,.  
Through thick and through thin,.

For better or worse,.

Ill be here with you.. So Goodnight . . . Dont be afraid..
