Music by Barry Manilow & Howie Rice

There is somebody
In this world somebody
She was put on earth for me
Where can her love be?

See, I'm no exception
I need real affection
What's life worth living for
If not to give it all . . . so

I'm reaching out
I'm in search of love
You're everything that I'm dreamin' of
I can't give up, no!
I'm reaching out
I'm in search of love
Been on my own for long enough

Well, I'm goin' crazy
Only you can save me
From the tears and loneliness
Girl, I must confess

That day or night time
There is no right time
For a heart to be alone
I just can't go on . . . so

I'm reaching out
I'm in search of love
You're everything that I'm dreamin' of
I can't give up, no!
I'm reaching out
I'm in search of love
Been on my own for long enough

Don't make me beg
Don't make me plead

Just go ahead and give me what I need
Set me free
Answer me
Can't you hear me calling out to you
