Words by Marty Panzer

Music by Barry Manilow

-----

You wouldn't believe where I've been,  
The cities and towns I been in,  
from Boston to Denver  
and every town in between.  
The people they all look the same,  
only the names have been changed.  
But now that I'm home again  
I'll tell you what I believe:  
It's a Miracle  
a true blue spectacle,  
a miracle come true.  
We're together baby,  
I was goin' crazy till the miracle come through.  
Now you're here and my arms are around you and  
baby they'll be dancin in the streets  
for the miracle a true blue spectacle, the miracle is you  
I never knew you look so good.  
Oh I never knew anyone could.  
I must have been crazy to ever have gone away.  
I almost forgot what it's like,  
holdin you near me at night.  
But now that I'm home again  
you'll know that I'm home to stay,  
cause it's a miracle a true blue spectacle,  
a miracle come true.  
We're together baby,  
I was going crazy till the miracle come through.  
I'm feeling so good, and baby they'll be dancin in the  
streets  
for the miracle  
a true blue spectacle,  
the miracle is you.  
Now you're here and my are around you and baby,  
there'll be dancin' in the streets;  
there's gonna be dancin in the streets,  
woh dancin' in the streets. Dancin', dancin', dancin',

dancin', in the streets  
dancin', dancin', dancin', in the streets  
for the miracle,  
true blue spectacle,  
the miracle is you, the miracle is you.
