Music: Barry Manilow

Lyrics: Marty Panzer

I tried to tell you there was trouble on the way
I lost the feelin' that I once had
But when I held you there was nothin' I could say
I couldn't bear to see you hurt so bad

So I'll be leavin' in the morning
Wishin' that I could stay
And tho' I'll miss you every morning it's the only way
So I'll be leavin' in the morning
But how can I tell you why
I never gave you any warning
And now I don't know how to say goodbye

I tried to tell you there was something that I missed
Something I couldn't ever find with you
But I was blinded by your love each time we kissed
Afraid I'd never find a love so true

So I'll be leavin' in the morning
But how can I tell you why
I never gave you any warning
And now I don't know how to say goodbye

I waited too long but now I see
It's no good for you
It's no good for me
You can't see it now
But one day you'll know
I just had to go

So I'll be leavin' in the morning
Wishin' that I could stay
And tho' I'll miss you every morning it's the only way
So I'll be leavin' in the morning
But how can I tell you why
I never gave you any warning
And now I don't know how to say goodbye
