Two A.M.
Two of us
Come sunrise I'm leavin'
You know I must
I can't bear the heartache
That's in your eyes
So

Let's take all night to say goodbye
You know I want to stay
How I want to stay
Let's take all night to say goodbye
'Cause goodbye is hard to say
Oh so hard to say
So let's take all night

Smile for me
Why don't we
Make this the sweetest of memories
The love that we make now
Is all we have
So

Let's take all night to say goodbye
You know I want to stay
How I want to stay
Let's take all night to say goodbye
'Cause goodbye is hard to say
Oh so hard to say

Let's take each moment
And every desire
You make the coffee
And I'll light the fire

And we'll take all night to say goodbye
You know I want to stay

How I want to stay
Let's take all night to say goodbye
'Cause goodbye is hard to say
Oh so hard to say So let's take all night to say goodbye
