Man 1:

She said she'd always love me
She said she'd never leave me
Then I wake up this morning
She's gone without a warning

Man 2:

I know what you've been through, pal
My woman left me, too, pal
I'm drinking to what used to be
Here's a toast the drink's on me

Both:

What this joint needs is some music
Someone put a quarter in the jukebox
And we'll both forget about her
Make the music louder
Someone put a quarter in the jukebox
And we'll sing our cares away
Tomorrow is another day

Man 1:

It feels just like a dream
We were such a winning team
Oh, I'm sure it's true that love is blind
Cause leaving never crossed my mind

Man 2:

Another round on me, pal
I feel the same you see, pal
It's hard to face this endless day
I've got to drink the hurt away

Both:

Hey this joint needs some more music
Someone put a quarter in the jukebox
And we'll both forget about her
Make the music louder
Someone put a quarter in the jukebox
And we'll sing our cares away
Tomorrow is another day

Man 1:

What'll I do with the nights now that she's gone

Man 2:

And what'll I do when the nights go on and on and

Both:

Someone put a quarter in the jukebox

And we'll both forget about her

Make the music louder

Someone put a quarter in the jukebox

And we'll sing our cares away

Tomorrow is another day

Put a quarter in the jukebox

Both forget about her

Make the music louder

Someone put a quarter in the jukebox

And we'll sing our cares away

Tomorrow is another day

(repeat/fade)
