Words by Will Jennings

Music by Richard Kerr

Time

You found time enough to love

And I found love enough to hold you

So tonight

I'll stir the fire you feel inside

Until the flames of love enfold you

Laying beside you lost in the feeling

So glad you opened my door

Come with me

Somewhere in the night we will know

Everything lovers can know

You're my song

Music too magic to end

I'll play you over and over again

Loving so warm

Moving so right

Closing our eyes and feeling alive

We'll just go on burning bright

Somewhere in the night

You'll sleep

When the morning comes

And I'll lie and watch you sleeping

And you'll smile

When you dream about the night

Like it's a secret you've been keeping

Laying beside you lost in the feeling

So glad you opened my door

You're my song

Music too magic to end

I'll play you over and over again

Loving so warm

Moving so right

Closing our eyes and feeling alive

We'll just go on burning bright

Somewhere in the night

We'll just go on burning bright

Somewhere in the night
