LYRICS BY MARTY PANZER

I was gonna see the world one day  
Maybe be a movie star  
Or buy a quiet house, down by the bay  
And write about the way things are  
But the way things are right now  
I can hardly write my name  
And I've lost my taste for the wanderin' ways  
For fortune and for fame

Darlin' all I want to do is be with you  
Twenty four hours a day  
All the other dreams I've had  
Have faded away  
Darlin' all I want to do is be with you  
Twenty four hours a day  
If you want to be with me  
Then here's where I'll stay

I was gonna save the human race  
Find my place in history  
Or sail away one day far out in space  
And live a life of mystery  
But the mystery to me  
Is the life I've lived before  
And the place for me isn't history  
It's with you forever more

Darlin' all I want to do is be with you  
Twenty four hours a day  
All the other dreams I've had  
Have faded away  
Darlin' all I want to do is be with you  
Twenty four hours a day  
If you want to be with me  
Then here's where I'll stay
