Last night I waved goodbye
Now it seems years
I'm back in the city where nothing is clear
But thoughts of me holding you, bringing us near
And tell me
When will our eyes meet
When can I touch you
When will this strong yearning end
And when will hold you again
Time in New England took me away
To long rocky beaches, you by the bay
We started a story who's end must now wait
And tell me
When will our eyes meet
When can I touch you
When will this strong yearning end
And when will hold you again
I feel a change coming
I feel the wind blow
I feel brave and daring
I feel my blood flow
With you I could bring out
All the love that I have
With you there's a heaven
So Earth ain't so bad
And tell me
When will our eyes meet
When can I touch you
When will this strong yearning end
And when will I hold you
Again. . . again. . .
