Autumn days lyin' on a bed of leaves  
Watching clouds up through the trees  
You said our love was more than time  
But it's colder now  
The trees are bare and the nights are long  
Can't get warm since you've been gone  
I can't stop singin' sad songs

Where do I go from here  
Tell me where do I go from here  
You said you'd take me through the years  
So where do I go from here

Lover's plans like fallen leaves on windy days  
Flutter past and they fly away  
I thought I knew you oh so well  
And I need you now  
I need to feel you in the night  
I need your smile so warm and bright  
I wish my mind could let you go

Where do I go from here  
Tell me where do I go from here  
You said you'd take me through the years  
So where do I go from here

Where do I go from here  
Tell me where do I go from here  
You said you'd take me through the years  
So where do I go from here  
You said that you'd take me through the years  
So where do I go from here
