Been breaking my back  
In case you didn't notice it  
But you've been telling lies  
Haven't you, haven't you yea  
We've been slippin through the cracks  
Though I try to carry on  
You've been stringin' me along

It's never been enough  
And I'm growin' pretty tired of it  
But you've been hiding something  
Well haven't you, haven't you  
How can you look me in my face  
And say that you're workin' late  
When we both know that's not the case  
Well anyway

I'm done  
Want nothin' to do with ya girl  
I'm done baby  
And I could have given you the world  
Too bad  
So take your final lap  
I'm 'bout to wave your checkered flag  
'Cause now I'm done done done c'mon done  
Done done done c'mon done

Been breaking my back  
And doing everything that I can  
Let it all go  
Put my trust in you baby  
Now I'm declaring this a war  
This time it's me I'm fighting for  
'Cause I can't take this anymore  
So there's the door

I'm done  
Want nothin' to do with ya girl  
I'm done baby  
And I could have given you the world  
Too bad

So take your final lap  
I'm 'bout to wave your checkered flag  
'Cause now I'm done done done c'mon done  
Done done done c'mon done

I've been goin' around  
Claiming you're the one  
That's never ever gonna let me down  
Well how could I be so wrong?  
I must be out of my mind  
To be thinking you were not the type to be sneaking  
around at night  
Well how could I be so wrong?

Look me in my eyes  
And give it to me one last time  
You know that I deserve it  
I deserve it baby  
So take this knife and stick it in  
'Cause now my patience is runnin' thin  
While you mess around with him  
Honey I know where you've been

I'm done  
Want nothin' to do with ya girl  
I'm so done baby  
And I could have given you the world  
Too bad  
So take your final lap  
I'm 'bout to wave your checkered flag  
'Cause now I'm done  
I'm done  
Want nothin' to do with ya girl  
I'm so done  
And I could have given you the world  
Too bad  
So take your final lap  
I'm 'bout to wave your checkered flag  
'Cause now I'm done done done c'mon done  
Done done done c'mon done  
Done done done done  
Done done done c'mon done
