You're the only one  
I'm depending on,  
If you go I would be blue,  
You'd take away the sun.

So I beg of you  
Try to understand,  
There's no room for words unsaid  
Or feelings left to chance.

I got to let you know that I love you,  
I got to let you know that I care;  
I got to let you know that for you  
I'll always be there.

Friends say I'm a fool  
Not to play it cool,  
But I don't mind bein' the only  
Exception to the rule.

Got a burnin' love  
I'm always dreaming of;  
When you smile it's all worthwhile  
That for me's enough.

I got to let you know that I love you,  
I got to let you know that I care;  
I got to let you know that for you  
I'll always be there.

Please don't be surprised  
I'm not one to disguise;  
What I feel I know is true  
You've got to realize.

Love is like a bell  
There's just one way to tell,  
If it's real it's going to ring  
That is why I sing.

I got to let you know that I love you,

I got to let you know that I care;  
I got to let you know that for you  
I'll always be there. (oh, yeah)

I got to let you know that I love you,  
I got to let you know that I care;  
I got to let you know that for you  
I'll always be there.
