I don't need a lot of things,
I can get by with nothing
Of all the blessings life can bring,
I've always needed something
But I've got all I want
When it comes to loving you
You're my only reason,
You're my only truth

Chorus

I need you like water
Like breath, like rain
I need you like mercy
From heaven's gate
There's a freedom in your arms
That carries me through
I need you

You're the hope that moves me
To courage again
You're the love that rescues me
When the cold winds rage
And it's so amazing
'Cause that's just how you are
And I can't turn back now
'Cause you've brought me too far

Repeat chorus (two times)
