Lost and all alone I always thought that I could make it  
on my own, since you left I hardly make it through the  
day, my tears get in the way and I need you back to  
stay

I wander through the night and search the world to find  
the words to make it right, all I want is just the way it  
used to be with you here close to me I've got to make  
you see

That I'm lost without your love, life without you isn't  
worth the trouble of, I'm as helpless as a ship without a  
wheel a touch without a feel, I can't believe it's real and  
someday soon I'll wake and find my heart won't have to  
break

Yes, I'm lost without your love, life without you isn't  
worth the trouble of, all I want is just the way it used to  
be, I need you here with me Oh darlin' can't you see

If we had love before we can have it back once more
