The whisper in the morning of lovers sleeping tight are  
rolling like thunder now as I look in your eyes

I hold on to your body and feel each move you make  
your voice is warm and tender a love that I could not  
forsake

Refrain

Cause you are my lady and I am your man whenever  
you reach for me I'll do all that I can

Even though there may be times It seems I'm far away  
never wonder where I am cause I am always by your  
side

(Repeat Refrain)

We're heading for something, somewhere I've never  
been, sometimes I am frightened but I'm ready to learn  
of the power of love

The sound of your heart beating made it clear  
suddenly the feeling that I can't go on is light years  
away

(Repeat Refrain)

We're heading for something, somewhere I've never  
been, sometimes I am frightened but I'm ready to learn  
of the power of love
