Oh pretty girl, tell me that you want me tonight
Come a little closer, darlin there's no need for you to
be shy
So turn the lights down low,
Ooo I know you like it like that,
We can take, take it slow,
Ooo ya know that I love it like that
Any man is crazy if he don't wanna be with you all night

Ooo, yes I know, yes I know that you're so damn pretty
baby
Ooo, yes I know, yes I know that you're so damn
beautiful
Ooo, yes I know, yes I know that you're so damn pretty
baby
You got it all, you got it all

Oh baby girl, tell me what you've got on your mind,
baby
Don't say nothing, tell me everything with your eyes,
babe
So tell me now, I gotta know,
Ooo and if you like it like that,
We roll around on the floor,
Well you know that I love it like that
Any time you need me, girl, believe me I'll be there by
your side
All night

Ooo, yes I know, yes I know that you're so damn pretty
baby
Ooo, yes I know, yes I know that you're so damn
beautiful
Ooo, yes I know, yes I know that you're so damn pretty
baby
You got it all, you got it all
And you know it, you know it, yeah

Ooo, yes I know, yes I know that you're so damn pretty
baby
Ooo, yes I know, yes I know that you're so damn

beautiful

Ooo, yes I know, yes I know that you're so damn pretty
baby

You got it all, you got it all

Ooo, yes I know, yes I know that you're so damn pretty
baby

Ooo, yes I know, yes I know that you're so damn
beautiful

Ooo, yes I know, yes I know that you're so damn pretty
baby

You got it all, you got it all
