I'm not ever gonna stop til' I make it to the top.  
(woah, woah)  
See what I can do, what I can prove.  
Cause I could inspire you.

\*pre-chorus\*

Hate all you want, hate all you want, hate me.  
Hate all you want, hate me cause you ain't me.  
x2  
\*

\*chorus\*

Haters make me famous and you won't forget my  
name.  
Haters make me famous and you won't forget the  
fame.  
Haters make me famous and you won't escape my  
name.  
Haters make me famous and you won't escape the F-A-  
ME  
\*

Pick me up or push me down, I'll always be around.

(you can love me, you can hate me, but you're never  
gonna break me)  
I'm someone that's here to stay, I've got a lot of things  
to say.  
(I've got stuff to say, and I won't go away)

If loving is wrong, and dying is right... I don't think I'll  
sleep tonight.  
I've got so much to do, and so much to be.  
Go ahead and HATE ME.

\*prechorus\*

\*chorus\*

FAME

Hate me cause I never did anything wrong to you.  
I'm only trying to stay true to me. Can't you see?

Born to be a celebrity.

x2
