It's not the gifts, wrapped in fancy paper
It's not the lights upon the tree
There's nothing in all the world I need
When I have you here beside me, here beside me

So you could give me wings to fly
And catch me if I fall
And pull the stars down from the sky
So I could wish on them all
There's nothing I need this Christmas
'Cause your love is the greatest gift of all

In your arms, I found a strength inside me
And in your eyes, there's a light to guide me
I would be lost without you
And all that my heart could ever want has come true

So you could give me wings to fly
And catch me if I fall
Or pull the stars down from the sky
So I could wish on them all
There's nothing I need this Christmas
'Cause your love is the greatest gift of all

You could offer me the sun, the moon
And I would still believe
You gave me everything
When you gave your heart to me

There's nothing I need this Christmas
'Cause your love is the greatest gift of all

You could give me wings to fly
And catch me if I fall
There's nothing I need this Christmas
'Cause your love is the greatest gift of all
Your love is the greatest gift of all
Greatest gift of all
