One holy night
Love came down
Heavenly host all around
Sleeping
Mystery
You dream
Beings

One lonely manger with hay
In swaddling clothes there He lays
Mary
Pondering
And Joseph
Wondering

O Holy Child
Safe in the arms of your mother
O Blessed Child
Born with a call like no other
To save the world
To save the world

Wise men with gifts from afar
Follow the light of the star
Shepherds
Watching
The birth
Of our King

O Holy Child
Safe in the arms of your mother
O Blessed Child
Born with a call like no other
To save the world
To save the world

They say Glory to God
In the Highest

O Holy Child
Safe in the arms of your mother
O Blessed Child

Born with a call like no other
To save the world
To save the world
