I was thinking of placing an ad
Inside a magazine so I could find You
I was picking up book after book
Taking a look
At trying to define You
I was lookin' for proof of Your life
Wondering why
I couldn't verify You

Then You came and You spoke to my heart
Now I see
Where You are

Chorus:
You're every
Time I turn around
In every sound
You're in the very air I breathe
You're up above
And now I know
You're in my soul
You're in the very depths of me
And every step I take
I take by faith
Oh and now I see

I believe
I believe
I believe
Yes, I believe
I believe
I believe
That You're everywhere

I was checking the best seller list
For something I missed
To spiritualize me
I was following step after step
Trying my best
To reinvent a new me
I was looking for truth in my life

I even tried
To psychoanalyze me
Now I'm seeing right from the start
You were there
In my heart

Chorus

I believe in the power of the Holy Ghost
I believe in the One who has made me whole
I believe with my heart
I believe with my soul
I believe that You laid down Your life for me
I believe that You rose up and set me free
I believe what I know
Oh and I know I believe
You're everywhere

Chorus
