Words and Music by Mark Schultz
From the recording: Song Cinema, Track #8.

A chapter done
Turn the page
And separate roads
Lead separate ways
But as we go, we're not alone
No, we're not alone

Because faith and hope and love
Are waiting for you when we say goodbye
Where would we be without the Faith
Where would we be without the Hope
Where would we be without the Faith
The one that God alone has made

Because faith and hope and love
Are waiting for you when we say
Faith, hope and love
Are waiting for you when we say goodbye

Where would we be without the Faith
Where would we be without the Hope
Where would we be without the Faith
The one that God alone has made

Because faith, hope and love
Are waiting for you when we say
Faith, hope and love
Are waiting for you when we say goodbye

Yea, though I walk
Down in the valley of the shadow of darkness
I will not fear
I will fear no evil

Because faith, hope and love
Are waiting for you when we say
Faith, hope and love
Are waiting for you when we say goodbye

Because faith and hope and love
Are waiting for you when we say goodbye
Faith and hope and love
Waiting for you when
We'll be praying until then
Waiting for you when we say goodbye
