When the east wind blows  
And the fog rolls in  
Out of nowhere, like a ghost  
She appears again  
Sweetened medicine  
Circus in the sky  
You've got your relationship  
So why can't I  
Believe in Mary Poppins  
We just had the most magical time  
She don't care that I am crazy  
And I know that she'll never be mine  
Oh, I need you Mary Poppins  
Like the world needs a way  
Oh, maybe Mary Poppins  
We'll get there someday  
Way up on a roof  
I will sing to you  
Just a lonely chimney sweep  
Doing what I do  
Mary is my friend  
An angel, possibly

Helps me to forget myself  
So that's why I  
Believe in Mary Poppins  
We just had the most magical time  
She don't care that I am crazy  
And I know that she'll never be mine  
Oh, I need you Mary Poppins  
Like the world needs a way  
Oh, maybe Mary Poppins  
We'll get there someday  
I believe in Mary Poppins  
We just had the most magical time  
She don't care that I am crazy  
And I know that she'll never be mine  
Oh, I need you Mary Poppins  
Like the world needs a way  
Oh, maybe Mary Poppins  
We'll get there someday
