Verse 1:

The only voice that's speaking,  
Words I can't recall,  
And I do still believe if I believe in anything at all.  
Are you hearing me  
and are you here?

I thought I saw you walking  
Down my street yesterday.  
I thought I heard your voice though  
I could not hear just what you say  
and I am waiting  
I am waiting here for you

Chorus:

I am whispering your name.  
I am turning to the wind  
Your love has brought me here  
Til' I see you again

I am opening the door  
I will let this moment in  
Your love will find me here  
Til' I see you again

Verse 2:

And I can still remember  
As I write down these words  
The music in your voice  
and the silence of the universe  
and I am singing.  
I am singing here for you.

Chorus:

I am whispering your name  
I am turning to the wind  
Your love has brought me here  
Til' I see you again

I am opening the door  
I will let this moment in

Your love will find me here  
Til' I see you again

Chorus Interlude:  
I am whispering your name  
I am turning to the wind  
Your love can find me here  
Til' I see you again

I am opening the door  
I will let this moment in  
Your love can find me here  
Til' I see you again
