Your Making Me
(ME ME ME ME)(Your Your)

Lets do this

I tried to earse the past
It always comes back
People tell me to move on

At first I need to know
What your feelings show
I feel like nothings the same

I'm so Lost!

I dont know what to say
I know you can feel this tension theres to much
Tension.

Your Making Me Intense baby baby
Your Your Crazy for me
Your Making Me Intense baby baby
Your Your Crazy for me

Was a just a joke you never even spoke so you did not
have to lie
gonna get up and go not just gonna sit not taken it no

Know it
