(bill giant - jeff lewis)

I found a place full of charms  
A magic world in my baby's arms  
Her soft embrace like satin lace  
A wondrous place  
Oh what a spot in the storm  
To cuddle up and stay nice and warm  
Away from harm in my baby's arms  
A wondrous place  
Man I'm nowhere  
When I'm anywhere else  
But I don't care  
Everything's right when she holds me tight  
Her tender hands on my face  
And I'm in heaven in her embrace  
I want to stay and never go away  
A wondrous place  
Mmmmmmmm  
Man I'm nowhere  
When I'm anywhere else  
But I don't care  
Everything's right when she holds me tight  
Her tender hands on my face  
And I'm in heaven in her embrace  
I want to stay and never go away  
A wondrous place  
Mmmmmmmm
