Baby  
Ahh yeah  
I don't wanna be alone

A definite silence  
You're almost exactly what I need  
A definite maybe  
Is sure to entice my curiosity  
I can't help but think that this doesn't add up  
I'm trying to separate the facts from all the fiction  
We're living in a world of contradictions  
And if baby you're the truth then I'm lying next to you

Chorus:  
You're the desert sand, I'll be your water  
And you're the perfect plan I never thought of  
I don't wanna do this on my own  
and you shouldn't have to be alone  
I would rather be alone together  
be alone together.

Well my heart's been racing, chasing after you  
You're the sweetest dream my incredible you  
You're the star so bright, you're eyes the lightest blue  
I can't help but stare at you  
So soft your lips, the wind blow in my hair, yeah  
Come closer let me whisper in your ear

'cause what will be will be every chance you give to me  
You will see yeah yeah

Chorus:  
You're the desert sand, I'll be your water  
And you're the perfect plan I never thought of  
I don't wanna do this on my own  
and you shouldn't have to be alone  
I would rather be alone together  
be alone together.

I always keep you safe in my arms  
I will guarantee that I will never break your heart

I'll always put you first cause you deserve the world  
I wanna know you  
I wanna hold you baby  
I wanna show you

You're the desert sand, I'll be your water  
And you're the perfect plan I never thought of  
I don't wanna do this on my own  
and you shouldn't have to be alone  
I would rather be alone together  
be alone together.

You shouldn't have to be alone  
I would rather be alone together  
Be alone together baby.
