Oooooh Oooooh  
Oooooh Oooooh  
Oh Oh

I hope she cheat on you with a basketball player  
Hope that she Kim Kardashian'd her way up  
Don't know the difference 'tween a touchdown and a  
lay up  
Got you on viagra in order for you to stay up

I may sound bitter  
I'm a little bitter  
Just a little bitter  
Because you are with her  
I'm Salt Lake City  
Now I'm up on out the picture  
Remember how it was when I was with ya  
Baby, sex so good  
Do you remember?(Ohh)  
Baby, sex so good  
Do you remember?(Ohh)

Well look at how it all turned out now  
I hope she cheat on you with a basketball player  
Look at how it all turned out now  
I hope you're feeling lonely baby now we're not  
together  
Look at how it all turned out now  
I hope she cheat on you with a basketball player  
Look at how it all turned out now  
Now that I'm without ya

I hope she cheat on you with an NFL baller  
She ignores ya every single time you call her  
Brand new Louis gotta have it spend ya money on her  
When you wanna hit it she actin' like she don't wanna

I may sound bitter  
I'm a little bitter  
Just a little bitter  
Because you are with her  
I'm Salt Lake City

Now I'm up on out the picture  
Remember how it was when I was with ya  
Baby, sex so good  
Do you remember?(Ohh)  
Baby, sex so good  
Do you remember?(Ohh)

Well look at how it all turned out now(Look at how it all  
turned out now)  
I hope she cheat on you with a basketball  
player(Cheated on you, baby)  
Look at how it all turned out now(Yeah)

Now that I'm without ya

She cute and all but that won't last forever  
What I had for you was so much better  
Yeah, the grass ain't greener on the other side of town  
Now look at how it all turned out now

I'm a little bitter  
Just a little bitter  
But I'm doin' better  
Cause we ain't together  
Ya sorry excuse for somebody I was into  
Remember what it was when I was with you

Look at how it all turned out now  
I hope she cheat on you with a basketball player(With a

Look at how it all turned out now(Oh yeah)  
I hope you're feeling lonely baby now we're not  
together(Lonely baby now we're not together)  
Look at how it all turned out now(So sad)
