Verse 1:

Ew whew ew whew oh oh
I hope she cheat on you wit' a basketball playa.
Hope that she Kim Kardashian'ed her way up.
Don't know the difference 'tween a touchdown and a
layup.
Got you on Viagra in order for you to stay up.

Pre-chorus:

I may sound bitter, I'm a little bitter, just a little bitter
because you were wit' her.
I'm Salt Lake City, now I'm up on other pitcher.
Remember how it was when I was wit' cha baby?
Sex so good, do you remember oh baby? Sex so good
do you remember oh?

Chorus:

Well look at how it all turned out now.
I hope she cheat on you with a basketball playa.
Look at how it all turned out now.
I hope you feeling lonely baby now we're not together.
Look at how it all turned out now.
I hope she cheat on you with a basketball playa.
Look at how it all turned out now.
Ew now that I'm without cha.

Verse 2:

I hope she cheat on you wit an NFL baller.
She ignores you every single time you call her.
Brand new Louis, gotta have it spend your money on
her.
When you wanna hit it she actin' like she don't wanna.

Pre-chorus:

I may sound bitter, I'm a little bitter, just a little bitter
because you were wit' her.
I'm Salt Lake City, now I'm up on other pitcher.
Remember how it was when I was wit' cha baby?

Well look at how it all turned out now.
I hope she cheat on you with a basketball playa.

Hook:

She cute and all, but that won't last forever.
What I had for you was so much better.
Yeah the grass ain't greener on the other side of town.

I'm a little bitter, just a little bitter.
But I'm doing better, 'cause we ain't together.
You sorry excuse for somebody I was into.
Remember what it was when I was wit' you?

Chorus:

Look at how it all turned out now.
I hope she cheat on you with a basketball playa.
Look at how it all turned out now.
Hope you feeling lonely baby now we're not together.
Look at how it all turned out now.
I hope she cheat on you with a basketball playa. (so sad

Look at how it all turned out now.
Now that I'm without cha baby.
