(m. crenshaw)

I gotta send a message  
Gotta send it to your heart from mine  
I even wrote you a letter  
I know there's no real harm in trying  
I'll play the fool resignedly  
If it's what I have to do  
'cause you mean a lot to me  
I'll do anything for you  
You took a chance on something  
You took a chance and now you'll see  
It's gotta fall on someone  
What's gotta be is gonna be  
But let's not talk about it  
We've got better things to do  
Unless you want to talk about it  
I'll do anything for you yeah
