There comes a time,  
In each man's life,  
To find your way,  
Or fall behind

Who you are,  
Is the path you take,  
And I'll find my way,  
Through your mistake

Sometimes your tears,  
Are your bridge to the sky,  
But you can't trust souls,  
With no truth in their eyes

Who you are,  
Is the path you take,  
And I'll find my way,  
Through your mistake

Time will heal,  
And all we know,  
If nothing's learned,  
Baby, nothing grows

Time will heal,  
And all we know,  
Everything stays the same,  
Nothing changes,  
Nothing changes

A man's not a man,  
When he takes the lower road,  
Dragging his tail,  
To cover his tracks

When you plant the seeds,  
Of doubt in my mind,  
You know you run the risk,  
Of being left behind

When I turn the mirror,  
I turn it back on myself,  
I can see your way,  
Was a cry for help

Time will heal,  
And all we know,  
If nothing's learned,  
Baby, nothing grows

Time will heal,  
For all we know,  
Everything stays the same,  
Nothing changes,  
Nothing changes
