Tell me if you're sure
This is what you want
Once you get it baby
You will never need another
I can't control emotions
They've taken over me more
Than you will ever know
I gotta make you see
Let me taste your lips
Kissin me like this
It can only get better from here
Babe been too sad to say
So I'd rather show
Don't you say a word boy

Just let me go go go go go go go go
Ooh ooh ooh ooh ooh ooh ooh
[Repeat]

I'm not gonna stop
Till you're satisfied
You don't gotta go easy
I can take it alright
The neighbors will complain
As you blow my brain
Everything you do to me
Got me goin' insane
I let you taste my lips
Kissin you like this
It can only get better from here
Babe I've been too sad to say
So I'd rather show
Don't you say a word boy

Just let me go go go go go go go go
Ooh ooh ooh ooh ooh ooh ooh
[Repeat]

Just let me go go go go go go go go
Ooh ooh ooh ooh ooh ooh ooh
[Repeat]
