I can't stand to see you sad
I can't bear to hear you cry
If you can't tell me what you need
All I can do is wonder why
Someday, someday aww
Someday, someday, yeah now
Someday, someday
Maybe I'll understand you
After all you've done for me
All I really want to do
Is take the love you brought my way
And give it all right back to you
Someday, someday
Someday, someday yeah yeah
Someday, someday
Maybe you'll understand me
You've taken everything from me
I've taken everything from you
I'll love you for my whole life through
Now after all you've done for me
All I really want to do
Is take the love you brought my way
And give it all right back to you
Someday, someday aww
Someday, someday, yeah now
Someday, someday maybe you'll understand me
You've taken everything from me
I've taken everything from you
I'll love you for my whole life through
I can't stand to see you sad
I can't bear to hear you cry
If you can't tell me what you need
All I can do is wonder why
Someday, someday aww
Someday, someday, yeah yeah
Someday, someday
Maybe I'll understand you
Someday, someday aww
Someday, someday, yeah yeah

Someday, someway
Maybe you'll understand me
Someday, someway oh!
Someday, someway, yeah now
Someday, someway
Maybe I'll understand you
