tell me why, must i do this to myself
it's so bad for my health, you are like an addiction
oh, why, trusted you would do me well, it seems you're
loving someone else
foolish of me cause i fell

you got me stuck on stupid and it ain't even funny
ever since the first day, thinking that you loved me
wanna give you all of me, so i give you the honey, i
gave up the honey, baby
why do you think it's okay, to act up and do me in this
way
why did i fall in love with you, baby?
all my friends said you're no good, and i tried to prove
them wrong but i couldn't
you are the one i want
Tell me who?
what's her name and where she's from?
don't just stand there acting dumb, i know your
situation,
Oh, who
left your room the other night, hopped the car waiting
outside
and you gave her a kiss goodnight
you got me caught up all crazy and ain't even fair
ever since the first night, thinking that you care
when i give you what you need, but you ain't even here,
you ain't ever here, baby

why do you think it's okay, to act up and do me in this
way
why did i fall in love with you, baby?
all my friends said you're no good, and I tried to prove
them wrong but i couldn't
you are the one i want, sing it with me

why do you think it's okay, to act up and do me in this
way
why did i fall in love with you,
sing it with me, oo ah oo ah oo ah oo ah oo ah oo ah oo
ah oo ah oo ah oo ah

why do you think it's okay, to end up and do me in this
way
why did i fall in love with you, baby?
all my friends said you're no good, and i'm trying to
prove them wrong but i couldn't
you are the one i want, sing it with me
why do you think it's okay, to end up and do me in this
way
why did i fall in love with you, baby?
all my friends said you're no good, and i'm trying to
prove them wrong but i couldn't
you are the one i want, sing it with me
why? why? â€¦come rewind, â€¦come rewind, â€¦come
rewind, â€¦come rewind.
