Verse 1:

When i look at your face  
I know what I'm feeling  
Can't nobody tell me nothing  
'Cause I know what I'm doing  
'Bout to grab my coat  
Put the keys in ignition  
Can't tell you how long  
I been wishing for this moment to

Uh uh uh (with you)  
I wanna uh uh uh (with you)

Verse 2:

When where on the phone  
Your giving me direction  
Can't even hold the pen straight  
Such anticipation  
Hundred miles an hour (hour)  
Can I go any faster?  
Can't you tell how I've been waiting  
How I've been waitin' for this moment to

Thinking about all the things I wanna do to you (babe)

To find someone that'll want as much as I want you (as i
