i often wonder why i keep running back to you
you're like a magnet pulling me with all those things
you do
i waited for you at the bus stop but you left in the rain
no matter what i do im locked in the same old game

oh oh i sometimes wonder

i often wonder why i keep thinking about you
when you got your hands on me i just don't know what
to do
i keep waiting for the phone to ring
but you never call
staring out the window the leaves are startin' to fall
leaves are startin' to fall
leaves are startin' to fall

oh oh i sometimes wonder
oh oh i sometimes wonder
do do do do do do
do do do do do do
oh i sometimes wonder
do do do do do do
do do do do do do
oh i sometimes wonder
